

Why ?

Why do butterflies fly
Why do angels have wings
Why does a bird soar
Why do I sing
Who is this JESUS
What did He do
Why did He give himself
To me and to you
Why does He love me
Why does He care
Where is He really
Is He really there
Why does He watch me
What does He want
Is He coming again
Or is He gone
Why do you hurt
Why do you laugh
Why do you dream of the future
When you are burdened by the past
Why can't we let go
Why do we hold on
"WHY" is the reason for the song
