This outline leads to a number of questions:

- a) Has the furniture got anything to do with the judgments?
- b) Has the presentation of the persons got anything to do with the judgments?
- c) Is there a development of thought regarding the openings in Heaven?
- d) Why is there a break between the 6th and 7th seal and trumpet but not between the vials?
- e) What has the closing comment got to do with that which has gone before?
