The Millennium - Biblical References To The Millennium and Events Surrounding It

The references to the events relating to the millennium and the millennial reign of the Lord are scattered throughout the scriptures and found in a variety of contexts or backgrounds. While it would be instructive and comforting to view each in its own context, that must be left to personal study. The following is a list of the references of which I am aware which are related to that time. Some have to do with events pre-millennial, some during the millennium, and some post millennium. When speaking of references, some are more clearly seen than others, but all are related to that event.

The importance of observing the prophetic trajectories, that is, prophecies which have an immediate and local fulfillment, and at the same time point to a greater fulfillment. For instance:

- a) In Jeremiah 31:31-34 the reference is to the new covenant between God and Israel. This is made very clear from Hebrews 8 and 10.
- b) God can, as it were, put an addendum to His covenant and has done that in bringing the Gentiles in, for in the Lord's Supper we, by the cup, express our part in the new covenant.
- c) Joel at Pentecost and in a future day.
- d) God gathering his people from Babylon and in a future day.
